Bobcat Grapple, Industrial

Description

Built tough for reliability and endurance, the industrial bucket and fork with grapple will easily handle scrap, waste, brush and other hard-to-manage materials.

Requirements

Bucket Grapples: Includes Bolt-On Cutting Edge.

Features & Benefits

- Move hard to handle materials easily.
- Powerful independent grapples (2) secure uneven loads.
- Hydraulically controlled grapple is easy to operate.
- Handles bulky, uneven loads securely.
